

TE KĀHUI RARAUNGA

# HE ARA PŪKEKO

## IWI MĀORI DATA APPRENTICESHIP

### HE KŌRERO MŌ TĒNEI KAUPAPA

#### ABOUT THIS KAUPAPA

This 9-month full-time, paid programme is aimed at developing Māori apprentices' data analysis skills, their application of mātauranga Māori, and their ability to exercise their tirohanga Māori in data.

#### RĀRANGI WĀ | TIMELINE

Maehe 24' - Tihema 24' | March 24' - Dec 24'

#### TE MARAURAUTANGA | ELIGIBILITY

- Applicants must be of Māori descent and Iwi endorsed.
- Have a strong interest in learning about data analysis within the context of Iwi Māori and government settings.
- Have a strong desire to contribute to their Iwi or hapū through data analysis.
- Knowledge of te reo Māori me ōna tikanga is valued.
- Have the ability to apply their knowledge of te reo Māori me ōna tikanga.
- Support initiatives that increase responsiveness to Māori.
- See and take opportunities to better meet Iwi Māori data and information needs.
- Professional or academic experience with data analysis is valued.

#### TONO MAI | APPLY NOW

By emailing us with your CV and cover letter.

### WHAKATAKOTORANGA | STRUCTURE

#### TAHA MĀORI | 3 MONTHS

Tauira will spend three months with an Iwi Māori organisation where they will gain exposure to the data lifecycle from an Iwi Māori perspective including the expression of te Ao Māori concepts in data.

#### TAHA KĀWANATANGA | 3 MONTHS

Tauira will dedicate three months to working with a government organisation, acquiring exposure to the data lifecycle from a governmental perspective.

#### RANGAHAU | 3 MONTHS

Tauira will dedicate three months to a research project, synthesizing the tools and knowledge acquired in the initial six months to create an independent research piece.
