

SITE PLAN AND PARKING

Marlborough Boys College – Site Map

ENDEAVOUR PARK PAVILLION

Below is a visual for the site plan at Endeavour Park, Port Marlborough, Picton located at [181 Waikawa Road, Picton 7220](#). This will be our main hub for Saturday, although we will have whānau down at Shelly Beach for waka ama and at Waikawa Marae for Kaumātua Games.

We will have Māori Wardens supporting us with parking at each of our sites, as well as providing road crossing safety between the Pavillion and QCC (see walkway marked in red on site map).

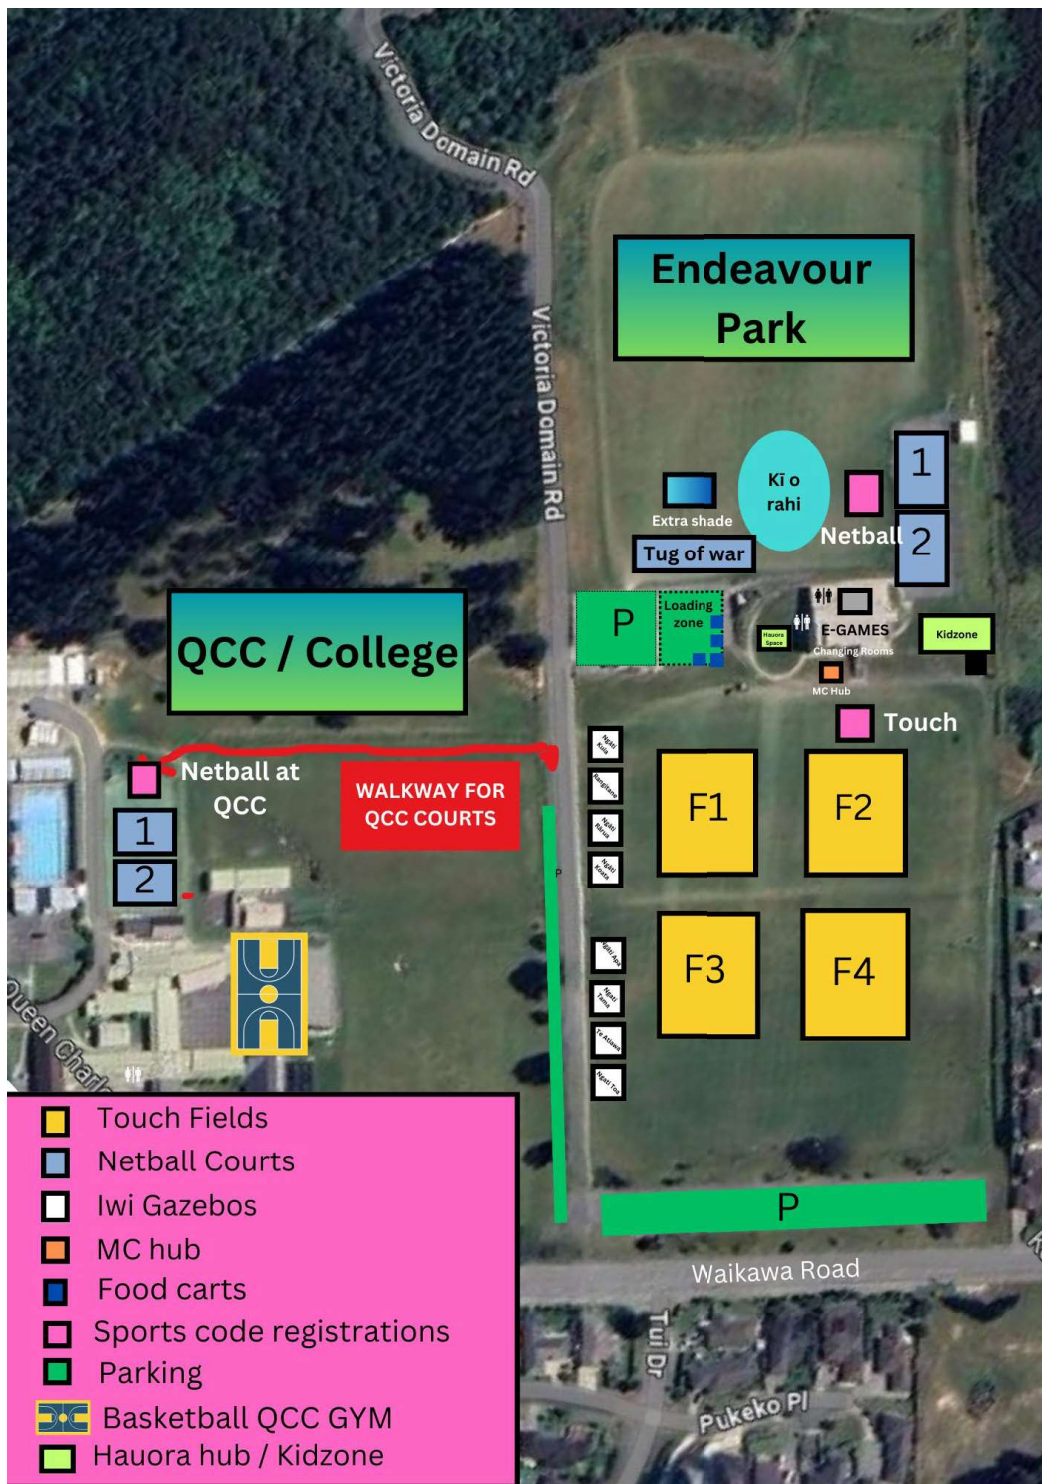

We encourage whānau to have a good look over this to ensure you have a good understanding of the layout on the day.

In regards to Parking, in addition to the parking outlined at Endeavour Park there is parking available along the following streets:

- Waikawa Road
- Admiralty Place – walk from the dead end to Endeavour Park (50m)
- Front of Queen Charlotte College, Waikawa Road

For whānau that have large items to unload/load into vehicles, whānau that are injured and/or kaumātua, there is a drop off/pick up point allocated to use (please refer to the loading zone on the site map provided below).
